

K11 Long distance image transmission

The maximum communication distance is 15KM

Frequency band	2.4G/5.8G	Serial port baud rate	115200
Dynamic Frequency Modulation	Automatic frequency tuning	Communication distance	5-15KM
Supply voltage	5-26V	Working current	5V/2A
Digital Transmission Port	一路	Air interface rate	20Mbps~160Mbps
Network port	一路	Size	48.3*42*13mm
S-BUS Output	一路	Weight	40g
power	3.2W	Work temperature	-10℃~50℃
Channel bandwidth	1.25MHz/2.5MHz/5MHz/10MHz/20MHz/40MHz
